

Student Name _____ Date _____

School of Enrollment _____

Recognize and describe how schools and neighborhoods are both similar and different. Recognize differences within their school and neighborhood. Share stories, folk tales, art, music, and dance inherent in neighborhood and community traditions.

Worksheet Instructions:

1. Complete the activities with your parent. Then submit the completed worksheet Upload to your Flex course.

Parent has a discussion with first grader about the traditions they have in each season. These things can be holiday traditions, relatives visiting, picnics, vacations, etc. After you discuss each season, ask your first grader the question, “What traditions do you share with your family in the _____?” Write down their answer on the line.

Parent and first grader decide on a neighbor to interview. Ask them the same questions and write down their answers. After you’ve interviewed the neighbor, ask your first grader the remaining questions and write down their answers on the line.

Ask the following questions after you’ve discussed traditions with your first grader. Write their answers on the lines.

What traditions do you share with your family in the summer?

What traditions do you share with your family in the fall?

What traditions do you share with your family in the winter?

What traditions do you share with your family in the winter?
